That
wasn't
a
dream.

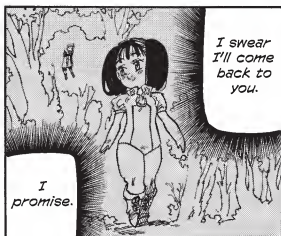

Um...why did
you...uh...k-
kiss...

You
scared
me! You
suddenly
fainted,
but you
seem just
fine now.

D...

Gowther gave them back to me, saying it was a present and an apology.

Neither Gowther is the kind of bad guy you think they are, King.

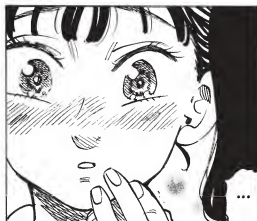

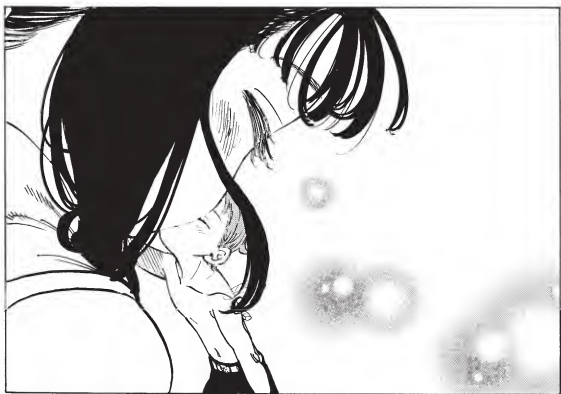

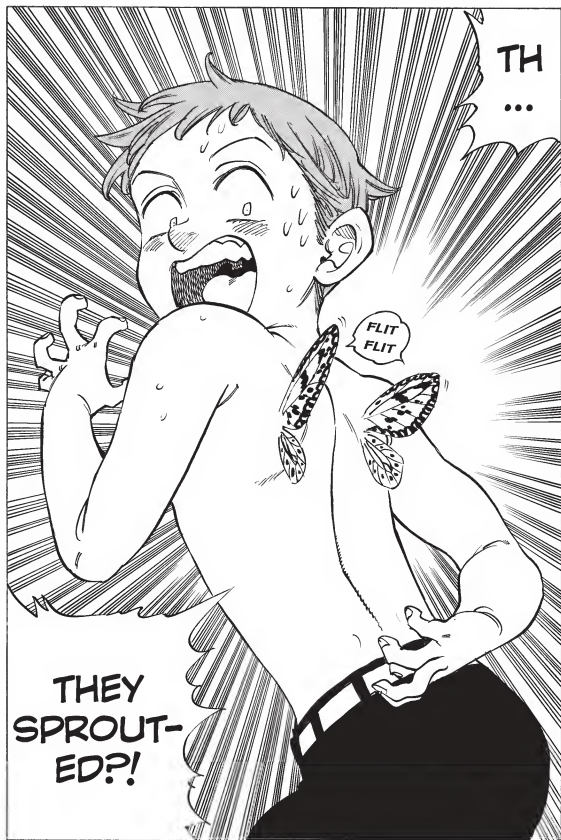

I HAVE
ALWAYS
LOVED
YOU, KING.
AND

STILL

*I'll always

And now he protects Harlequin-sama since I cannot be by his side.

You
should go.
I'll watch
after the
forest in
your place.

WE'RE
THE
SEVEN
DEADLY

creeping
mist
fills the
capital..."

"When
the moon
shines
during
the day..."

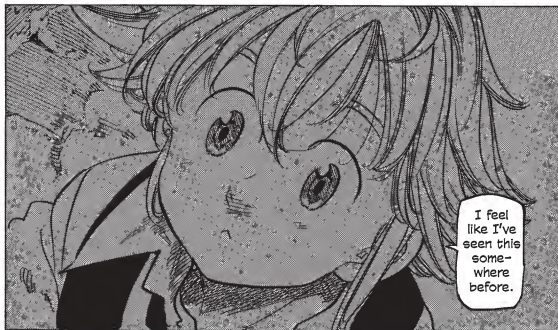

FLAT

"...one
more moon
will appear
like a heat
haze."

Hm
?

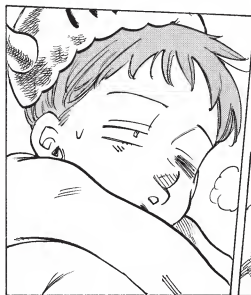

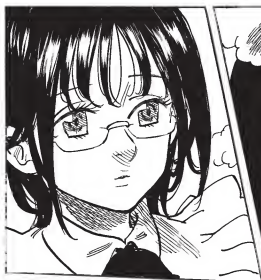

"...at the
peak of
the castle
where
we were
deemed
traitors
of the
kingdom..."

I feel
like I've
seen this
some-
where
before.

"AND
THE
SEVEN
DEADLY
SINS
WILL
ONCE
AGAIN
UNITE."
